Re: *Spectrum Dynamics Medical Limited v. GE*; Case No.: 18-cv-11386 (VSB)

Dear Magistrate Judge Parker:

We represent Plaintiff Spectrum Dynamics Medical Limited ("Plaintiff" or "Spectrum") in the above-referenced action. We write pursuant to Your Honor's Individual Practices in Civil Cases Rules I(a) and I(c) to request an extension of time for Defendants to respond to Defendants' August 12, 2021, letter motion challenging Plaintiff's claw-back of certain documents (see [D.I. 325]) and for permission to file a response of seven pages (excluding signature page).

Because Defendants' letter motion concerns a discovery dispute, it is Spectrum's understanding that Your Honor's Individual Practices in Civil Cases Rule II(c) requires Plaintiff's response to be filed within three business days, i.e., by August 16, 2021, and be limited to three pages. We respectfully request that Plaintiff's response letter be due on August 23, 2021 and Plaintiff permitted to file a response of seven pages (excluding signature page), the same number of pages as Defendants' letter motion, to permit Spectrum to fully address and respond to the issues raised in Defendants' letter motion.

The parties have conferred, and Defendants do not oppose this request. This is Spectrum's first request for this relief.

Respectfully submitted,

/Neil F. Greenblum/
